

Grayzel Commentary
Township Committee Meeting
Meeting of July 17, 2013

Thank you to the resident of Exeter Lane who came out tonight to ask for a sidewalk on James Street. I know many people in that neighborhood and they have been asking for a sidewalk for a long time, probably 6-7 years. I would like us to take another look at putting a sidewalk in along James Street.

I would thank Folesch and his crew for keeping fields safe and playable through a busy and rainy spring sports season.

I would congratulate all recent grads from Frelinghuysen \ MHS \ Colleges & Universities that are Twp. residents.

My condolences to the family of Cecilia Laureys, who passed away on July 7. Ms. Laureys was a four-term Morris County freeholder and mother of 10 children.

My condolences to the family of Senator Frank Lautenberg. He served the great state of New Jersey for a long long time, and the list of his accomplishments is numerous. I am personally grateful for all the years of service he gave the residents of this state. We will miss him.

With that said, there will be a special primary election taking place on August 13 to fill the Senator Lautenberg's seats. There are both democratic and republican candidates in this election so it is important for everyone to exercise their given right to vote that our great county has given us, and participate in this election.

If you need to register to vote, the deadline for registering for this special election is July 23.

Poll workers are needed for the upcoming special elections. Poll workers receive training and will be paid \$200 for the day. Find additional information here:

Lastly, as a reminder the billing of sewer fees was changed earlier this year. We now collect fees only twice a year, on April 1 and October 1. So no payments are due this month, but remember that you will have a larger bill to pay on October 1.
